Successfully led the front-end development of a social networking site using React, delivering a dynamic user interface. Experienced in Android development and cloud computing, with two certifications from Meta, and a certification from IBM on Cloud Computing.

TECHNICAL SKILLS: Html & CSS(expert), Bootstrap(proficient), React (expert), React Native (expert), Next.js (proficient), Node.js (expert), Express(expert), JavaScript(proficient), Android Studio, Virtual Device Management, Cloud Computing, DevOps, Git, GitHub, Linux CLI, Krita(proficient) Visual Studio Code.

SOFT SKILLS: Communication Skill, Problem Solving, Team work, Time management, Attention to detail, Adaptability

PROFESSIONAL EXPERIENCE

COMSOFT LIMITED   ABUJA, FCT/ NIGERIA
Software Engineer Intern   Oct 2023 - Dec 2023

Assisted in the development of web applications by working on front-end tasks using React. Contributed to debugging and troubleshooting code, ensuring smoother performance. Learning from my partners and cohorts, Observing team dynamics, Collaborated with the team on small projects, gaining hands-on experience in cloud computing and DevOps processes.

Project 1: Social Networking Site (Socially-Site)
- Developed the front-end of a social networking platform using React, providing a dynamic and responsive user experience.
- Improved cross-device compatibility, resulting in a 15% increase in user satisfaction.
- Optimized the site's performance by reducing page load times by 20% through efficient code refactoring.

Project 2: Ongoing App Development
- Currently leading the development of a social media app, focusing on creating a user-friendly interface and seamless feature integration.
- Implementing features that prioritize user engagement, performance, and scalability

OBTIBRI LIMITED   ABUJA, FCT / NIGERIA
Frontend Developer   Feb 2023 - Jan 2024

- Led the development of responsive web applications using React and Next.js, improving user engagement by 20%.
- Optimized front-end performance, reducing page load times by 25% through advanced code optimization techniques.
- Designed and implemented user-friendly interfaces, resulting in a 30% increase in client satisfaction.
- Implemented reusable components and streamlined code, enhancing development efficiency and reducing time-to-market for new features by 15%.

LEADERSHIP EXPERIENCE

IMENTALLY   ABUJA, FCT / NIGERIA
Team Lead   June 2022 – Jan 2023
- Led the development and management of key projects, including iMentally, a mental health platform aimed at providing support and resources, including managing social media strategies.
- Oversaw the planning and execution of strategies, resulting in a 25% increase in user engagement and community growth.

EDUCATION & OTHER

VERITAS UNIVERSITY ABUJA   *2021- 2026*

LANGUAGES: English (native), French (proficient)
OTHER EDUCATION: [Introduction to Frontend Development Meta](#), [Version Control Meta](#), [Introduction to Cloud Computing IBM](#)
INTERESTS: Football, basketball, Graphic Design, Digital Art
